

Advance Information for Camp 2006

RECOMMENDED READINGS

Attendees need to be familiar with:

- **Cognitive Therapy of Personality Disorders.** Beck et al. Guilford Press. 2nd edition, 2004 or 1st edition, 1990.
- Chapter 7: Using Mind Over Mood with Personality Disorders from **Clinician's Guide to Mind Over Mood.** 1995, Padesky with Greenberger. Guilford Press. This chapter reviews interpersonal and technical aspects of using cognitive therapy with personality disorders.

HOW TO ORDER BOOKS

Try direct ordering using our web links (USA addresses only).

Visit www.padesky.com/current_readings.htm

Then click on the cover of the book you are interested in to link you directly with that title. If you use our web site direct links, we receive a small compensation from Amazon that we use to help maintain our web site, for which we are grateful.

AUDIO & VIDEO TAPE SUGGESTIONS

Although we do not feel it is necessary to preview these tapes prior to attending, we think the following audio and video tapes provide exposure to the background ideas we build on in Camp.

To learn more about or order these training tapes, print out our Training Tapes catalog:

www.padesky.com/tape_pdf_cat.htm

- **AudioTape #BEHX:** *Behavioral Experiments: Testing the Rules the Bind*
- **AudioTape #CTPD9:** *The Continuum and Positive Data Log*
- **AudioTape #TB1:** *Therapist Beliefs: Protocols, Personalities, and Guided Exercises*
- **AudioTape #CTPD5:** *CT Conceptualization & Treatment of Borderline Personality Disorder*
- **AudioTape #CTPD7:** *CT for Dependent & Avoidant Personality Disorders*
- **VideoTape #VBEL:** *Constructing New Core Beliefs: A Client Demonstration*
- **VideoTape #VCON:** *Collaborative Case Conceptualization: A Client Session*
